

# Course Specifications

**University:** Future University

**Faculty:** Faculty of Computers and Information Technology

## Course Specifications

**Department offering the course** Cybersecurity Program

**Academic Year** 2023/2024

### A- Basic Information

**Title:** Summer Training

**Code:** TR 333

**Credit Hours: 3.00**

**Lecture: 0**

**Tutorial: 0**

**Practical: 3**

**Total: 3**

### B- Professional Information

#### 1- Overall Aims of Course

#### 2- Intended Learning Outcomes of Course (ILOs)

#### 3- Contents

Topic	No. of hours	Lecture	Tutorial/Practical
-------	--------------	---------	--------------------

#### 4- Teaching and Learning Methods

#### 5- Student Assessment Methods:

Method	Weight %	Week No.	Assess What
--------	----------	----------	-------------

#### 6- List of References

##### 6.1- Course Notes

## **6.2- Text Books**

<b>Book Title</b>	<b>Author</b>
-------------------	---------------

## **6.3- Recommended Books**

## **6.4- Periodicals**

## **6.5- Web Sites**

## **7- Facilities Required for Teaching and Learning**

## **8- Other Information**

**Course Coordinator:**

**Head of Department:**

**Date:**       /       /
